

THINKING OUTSIDE *the cereal box*

How will you raise the “bar” on flavour? Create layered goodness with sweet and savoury coatings, inclusions, and internal flavours.

GETTING MORE OUT OF THE GRAIN

- Great tasting flavour formulation for all components of cereal and food bars
- Mastery of foundational sweet brown and vanilla flavours and expertise in layered flavour creation
- Development and testing aligned with your flavour evaluation process

THE RIGHT FLAVOUR TECHNOLOGY FOR YOUR PRODUCT

- Natural flavours and seasonings that help meet your labeling requirements
- Mask off-notes of grains and enhance sweetness while reducing sugar with proprietary flavour modulation solutions

#GRAINGAINS

LAYERED, SWEET, AND SAVOURY FLAVOUR EXPERTISE FOR ALL CEREAL AND BAR COMPONENTS

- Ready-to-eat cereal
- Hot cereal
- Snack and nutritional bars
